EVERY BABY LOSS MATTERS

HONOR YOUR BABY GONE TOO SOON

#EVERYBABYLOSSMATTERS

"When you lose a parent, you lose your past. When you lose a baby, you lose your future." Pregnancy and infant loss is an invisible grief, too often carried in silence.

This October 15th at 7pm, join Chasing the Rainbows in bringing a Light Up the Sky Ceremony to your town.

Gather your community to remember and honor babies gone too soon. Light candles, share names, and encourage homes, businesses, and landmarks to shine pink and blue.

Let your town be a beacon. Honor out loud. Light the sky in pink and blue.

LET'S HONOR OUR BABIES' STORIES OUT LOUD!
